

PR in Australia - Skilled independent visa – subclass 189

A) CUT OFF MARKS

There are 3 occupation category having best cutoff and relatively simple pathways

1. Construction jobs
2. Health care
3. Teaching jobs

Lets see the cutt off marks for each one

1. Construction jobs

Occupation	Aug-25	Nov-24	Sep-24	Jun-24	mean
Bricklayer	65	65	65	65	65
Carpenter	65	65	65	65	65
Carpenter and Joiner	65	65	65	65	65
Plumber (General) (License)	65	70	65	65	66
Wall and Floor Tiler	65	85	65	65	70
Electrician (General) (License)	65	90	65	65	71
Painting Trades Worker	70	90	65	65	73

- Ok from the table we can see the different most important construction jobs and the cut off marks needed for PR in each intake
- The mean marks of the **Bricklayer and Carpenter** are minimum among all

2. Healthcare Jobs

Occupation	Aug-25	Nov-24	Sep-24	Jun-24	mean
Registered Nurse (Aged Care)	80	70	75	85	78
Registered Nurse (Disability and Rehabilitation)	80	70	75	85	78
Registered Nurse (Perioperative)	80	70	75	85	78
Registered Nurse (Critical Care and Emergency)	80	75	75	85	78
Registered Nurse (Medical Practice)	80	75	75	85	78
Registered Nurse (Surgical)	80	75	75	85	78
Registered Nurses nec	80	75	75	85	78
Registered Nurse (Child and Family Health)	80	70	80	85	79
Registered Nurse (Community Health)	80	70	80	90	80

- All the Registered Nurse need same education and need same cut off marks around 80
- Just the job designation of each role is different

3. Teaching

Occupation	Aug-25	Nov-24	Sep-24	Jun-24	mean
Early Childhood (Pre-primary School) Teacher	85	70	75	85	79
Secondary School Teacher	85	70	75	85	79

- Recently the Teaching cut off marks in Aug 2025 has reached to slightly higher that is 85 marks
- Among the teaching paths the Early Childhood (Pre-primary School) Teacher path is relatively easier we will discuss it latter

B) HOW MUCH MARKS WE GET?

ARE THEY ABOVE CUT OFF MARKS NEEDED?

1. Carpentry /bricklayer (construction course)

Age	English	AUS Work (yrs)	Marital Status	NAATI	Australian masters	Total Points
31	8 (Superior)	1	Married	Yes	20	85
31	8 (Superior)	1	Married	No	20	80
33	8 (Superior)	1	Married	Yes	20	80
31	7 (Proficient)	1	Married	Yes	20	75
33	8 (Superior)	1	Married	No	20	75
31	7 (Proficient)	1	Married	No	20	70
33	7 (Proficient)	1	Married	Yes	20	70
33	7 (Proficient)	1	Married	No	20	65

- ok so if we do carpentry or bricklayer course we can get the score in range 65 to 85 range
- we can get additional 5 points if we do state nomination (not included in table) very rare

2. Healthcare

Age	English	Regional Study	Marital Status	NAATI	Australian Masters	Total Points
31	8 (Superior)	Yes	Single	Yes	20	90
31	8 (Superior)	Yes	Married	Yes	20	85
31	8 (Superior)	Yes	Single	No	20	85
31	8 (Superior)	No	Single	Yes	20	85
31	8 (Superior)	Yes	Married	No	20	80
31	8 (Superior)	No	Married	Yes	20	80
31	8 (Superior)	No	Single	No	20	80
31	8 (Superior)	No	Married	No	20	75

3. Teaching

Age	English	Regional Study	Marital Status	NAATI	Australian Masters	Total Points
31	8 (Superior)	Yes	Single	Yes	20	90
31	8 (Superior)	Yes	Married	Yes	20	85
31	8 (Superior)	Yes	Single	No	20	85
31	8 (Superior)	No	Single	Yes	20	85
31	8 (Superior)	Yes	Married	No	20	80
31	8 (Superior)	No	Married	Yes	20	80

31	8 (Superior)	No	Single	No	20	80
31	8 (Superior)	No	Married	No	20	75

- for both healthcare as well as teaching course if we go to regional area to do the masters degree we get additional 5 points as shown in table

ok so what we can understand from this ?

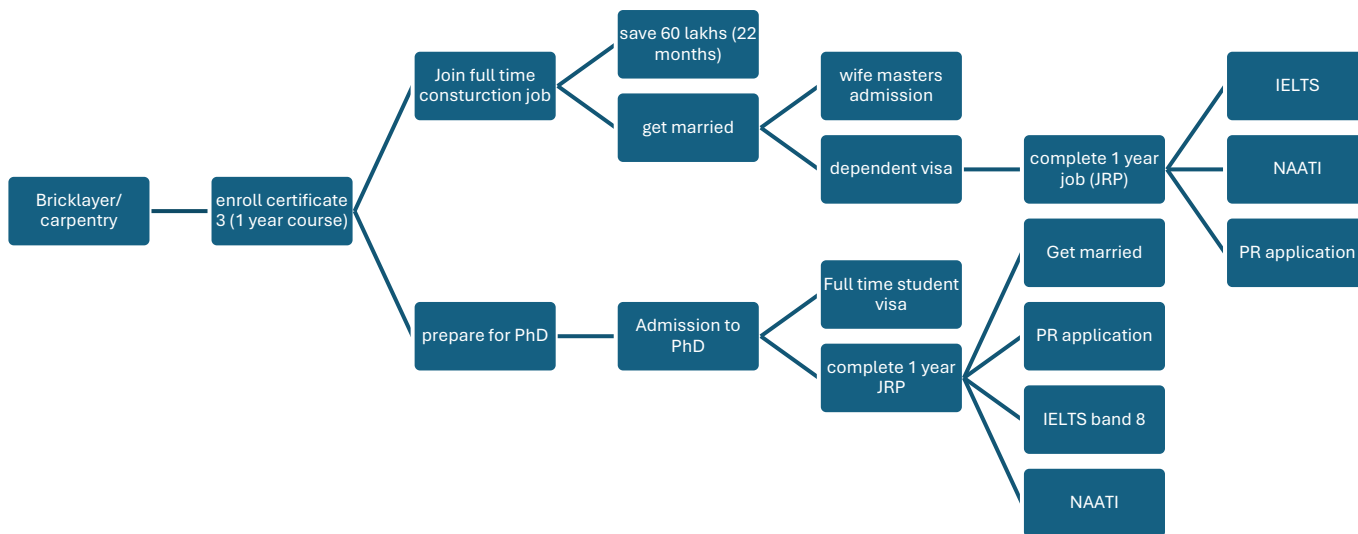

Course type	course	Points needed now	Points after 2 years (+5)	Achievable points
Certificate 3	Bricklayer/ carpenter	65	70	85
Masters degree	Nursing	80	85	90
Masters degree	Early childhood teacher	80 to 85	90	90

So basis only on the points

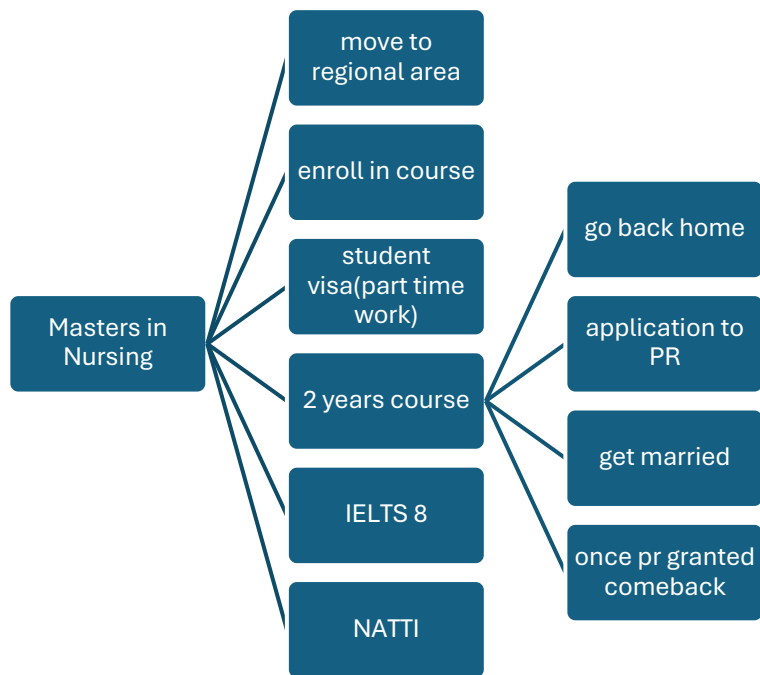

- bricklayer/carpentry looks on safe zone
 - next good option will be nursing
 - early childhood teacher is not safe
- so going forward we will focus on option 1 and option 2 only**

C. LETS UNDERSTAND THE PR PATHWAY OF BOTH OPTIONS IN DETAILS.

1. Bricklayer /Carpentry

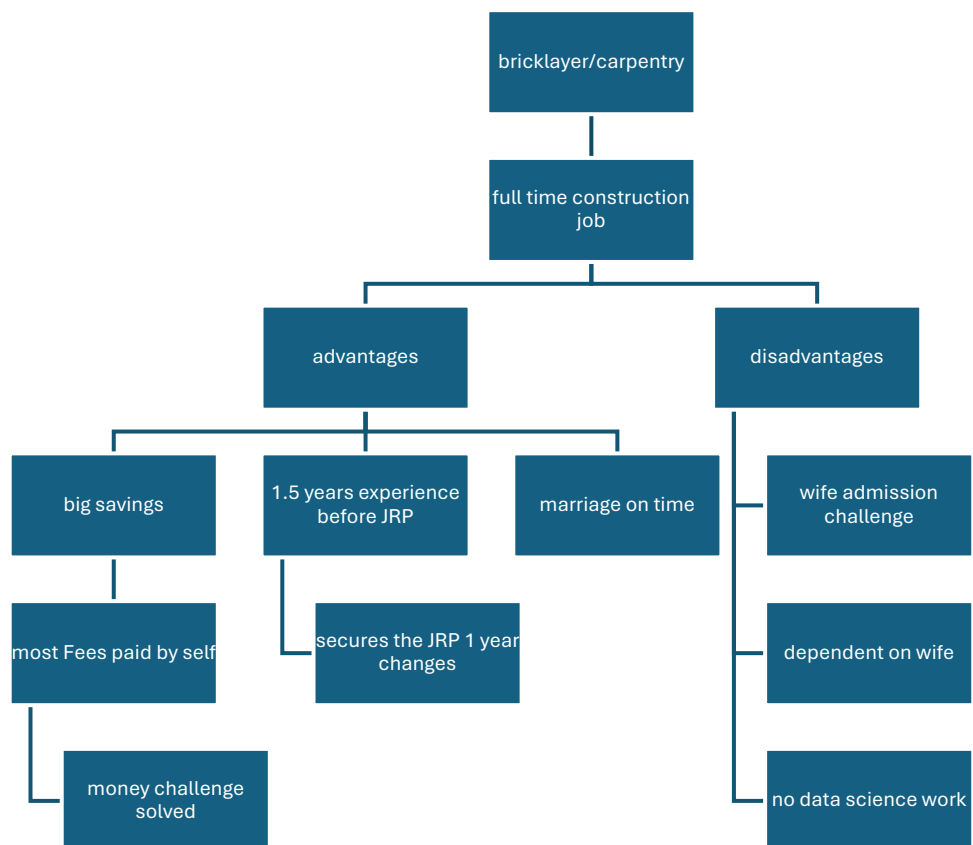

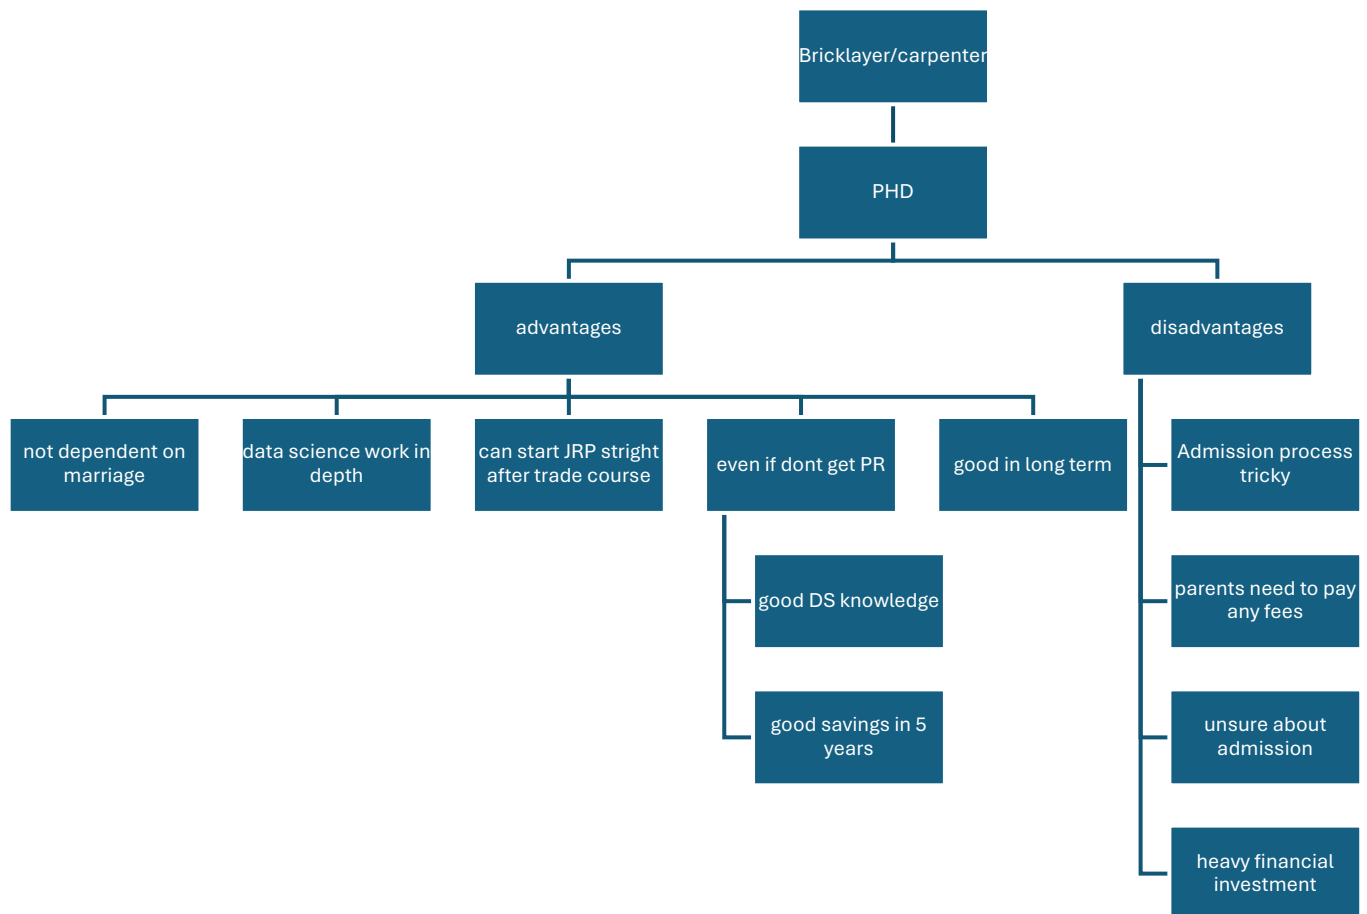

2. Nursing

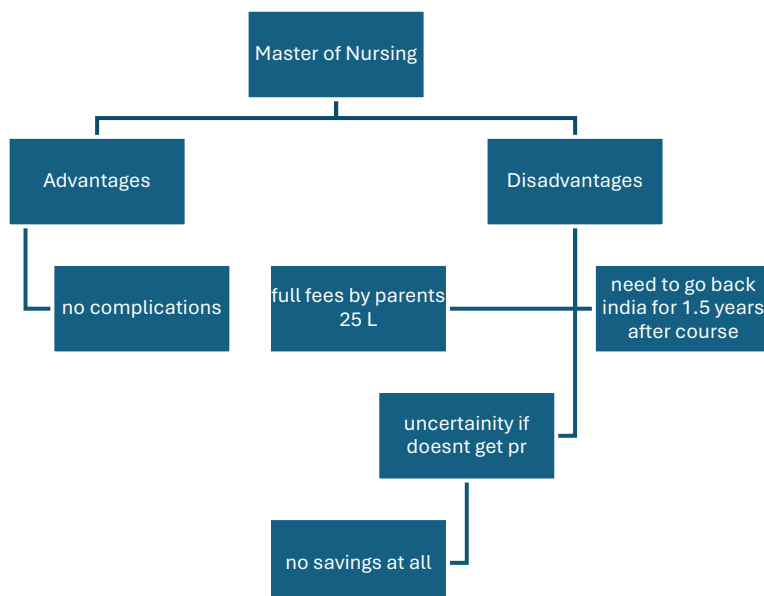

D. advantages and disadvantages of each way

1. Bricklayer/Carpentry (path 1 & 2)

2. Nursing

E. LETS DISCUSS MONEY

Path 1

Carpentry – certificate 3 – full time job – marriage-Wife admission – 1 year _JRP- PR

Certificate 3 carpentry	8 lakhs
Marriage	12 lakhs
Wife admission	25 lakh
PR cost	15 lakh
Additional cost	5 lakh
Total	65 Lakhs

But during this period I will have full time work and work rights for atleast 22 months excluding JRP

Potential savings upto 56 lakhs

So 65 lakhs – 56 lakhs = 9 lakhs

1 year JRP can solve the remaining amount issue
thus less financial issue

Path 2 –

Carpentry – certificate 3 – PHD admission – 1 year JRP – PR/marriage

Certificate 3 carpentry	8 lakhs
Phd admission	Depends on scholarship (50% or 100%)
PR cost	15 lakh
Additional cost	5 lakh
Total	30 Lakhs

Mostly paid from home

Path 3

Masters of nursing – go home – PR

Master of nursing fees	25 lakhs
PR cost	15 lakh
Additional cost	5 lakh
Total	45 Lakhs

Totally paid from home
